## Rt.2A Traffic Diversion for Week of November 16<sup>th</sup>

At this time the best information that has been obtained from MassDOT is as follows. “WHEN” Rt.2A is closed, it will be closed traveling East at #140 State Rd and traveling West at #130 State Rd.

At this time there is still “NO” definite date as to the closure. Additional traffic detour signs will be in place as soon as the project time is determined.

“WHEN”, the project begins traffic routes will be (Traveling East) to use Rt.2 East at #18 to exit #19 (or) North on Highland Ave. to Royalston Rd. South. (Traveling West) use Rt.2 at #19 West to exit #18 (or) North on Royalston Rd. to Highland Ave South.

Rt.2 East and West traffic will be the recommended route for tractor trailers and larger vehicles.

Local traffic and passenger vehicles may also use Athol Rd. to Baldwinville Rd. and Baldwinville Rd. to Athol Rd.

At this time, once the project starts, detour is thought to be less than 2 weeks.

We will provide further information as it becomes is available.
