**DEBRIS DISPOSAL AFFIDAVIT**

In accordance with Chapter 40, Section 54, towns are required to issue a building permit for the new construction, demolition, renovation, rehabilitation or other alteration of a building or structure. This is to assure that the debris resulting the above will be disposed of in a properly licensed solid waste facility, as defined by Section 150 (A) of Chapter 111.

The debris from construction work being performed at:

\_\_\_\_\_  
(Please print house number and street name)

Is to be disposed of at:

\_\_\_\_\_  
(Please print name and location of facility)

Or will be disposed of in a dumpster on-site rented or leased from:

\_\_\_\_\_  
(Company Name & Address)

\_\_\_\_\_  
Signature of Permit Applicant or Owner

\_\_\_\_\_  
Date

Temporary disposal permits may be obtained by out of town contractors by bringing a copy of the building permit to the Phillipston Board of Health. Construction debris will not be accepted by the Phillipston Board of Health.

If for any reason, debris will not be disposed of as indicated, the Applicant or Owner shall notify the Building Department as to the location where the debris will be disposed.

M.G.L., Chapter 40, Section 54:

*Every city or town shall require, as a condition of issuing a building permit or license for the demolition, renovation, rehabilitation, or other alteration of a building or structure, that the debris resulting from such demolition, renovation, rehabilitation, or other alteration be disposed of in a properly licensed solid waste disposal facility, as defined by section one hundred and fifty A of chapter one hundred and eleven. Any such permit or license shall indicate the location of the facility at which the debris will be disposed. The issuing authority shall amend the permit or license to so indicate.*
