

APRIL 11TH & 27TH COMMUNITY RESILIENCE BUILDING WORKSHOPS

Be a part of planning for Phillipston's future!

Phillipston residents, local experts, and invited stakeholders – Please join us for two upcoming workshops to discuss strengths and vulnerabilities to natural hazards and a changing climate.

This two-part discussion will help produce a climate resiliency plan that combines local expertise from across sectors and represents Town priorities and community needs.

Don't miss out on your chance to provide important community input and to participate in planning for a more resilient future for the Town of Phillipston.
